Old Business: None

New Business:

- 1) Michelle McClain-Marsh and Tina Lyttle Carter discussed their concern with Cook's Cemetery and the water flowing under the graves at the lower end of the cemetery. Buck Beard and William Langley advised that the ditches had been opened up, crusher run added and about 90% of the monuments had been leveled. They will look at the run-off on the next rain event. Mrs. McClain-Marsh also asked if the cost of the footer could be included in the cost of the plot. It was explained that not everyone purchased a monument and also, because so many plots have been purchased in the past before the requirement for a footer went into effect.
- 2) William Langley advised that flowers are left on the graves during mowing season for birthday, death and wedding anniversaries to accommodate families.

There being no further business the meeting was adjourned.
